

Idealism

IDEALISM:

win at any cost
failure is not an option
fight every damn fight

death 'fore dishonor
mustn't compromise values
because? it is right!

must never give up
flexible: four letter word
it's just that simple

REALISM:

choose least bad option
perfect's enemy of good
strong leaders follow

weakness can be strength
rest in ambiguity
it's complicated

Inspired by Samantha Power, author of *The Education of an Idealist*
